

COME JOIN OUR MOBILE MEDICAL TEAM

No Night Call! - No Weekend Call!

Week Days Only!

1-4 Shifts Per Week!

Independent Contractor!

Physicians operate our C-Arm fluoroscopy performing dysphagia consultations including Modified Barium Swallows and esophageal assessments to the stomach. MDs work in conjunction with our highly trained Speech Pathologists.

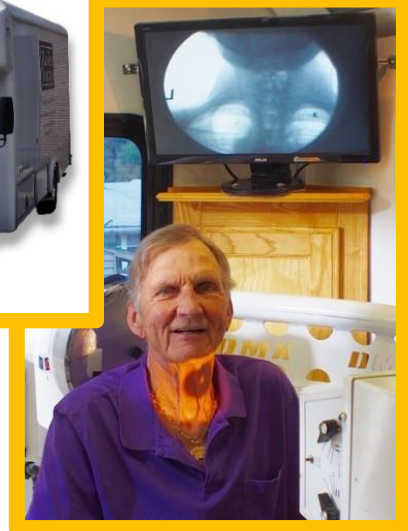

Ride with us!

When you join our team, we provide you with extensive fluoroscopy training.

We pay the malpractice insurance including tail coverage.

Since we cross state lines (CT, MA, ME, NH & RI), we reimburse you for any out of state licensure.

Plus, we offer a free ride along to see firsthand what we do.

**It's a great time to be a part of growing mobile medical practice.
Apply today, send your CV to joan@massteximaging.com.**
